

History Day in Idaho 2010 Judges Needed

IDAHO STATE SPONSOR
Preserving the Past, Enriching the Future

Idaho's best and brightest students need your help. The venue is History Day— one of the premier academic enrichment programs in the nation. In Idaho, students in grades 4-12 work hard all year to develop research papers, exhibits, performances, documentaries, and websites, and then enter their projects in a series of contests that can take them to state and national levels. Will you please honor our student participants by donating a half-day (8am—2pm) of your time to judge their work at one or more of the following contests? By viewing their projects, and sharing your thoughts and ideas with them, you can help our young people grow in their amazing research adventures. We need enthusiastic judges just like you, and hope you will encourage your friends and colleagues to participate as well. No prior experience is necessary, and it is guaranteed you will have a remarkable day!

Please check the contest(s) you would be available to help at:
